

hi there

I am an enthusiastic graphic design graduate looking for a creative home.

education

May 2015

Bachelor's Degree in Art with an emphasis in Graphic Design

San Diego State University

Classes: Typography I & II; Graphic Design I, II, III (Infographics), & IV (Branding); Digital Media; Design for Internet I & II; Photographic Imagery; Packaging; Senior Portfolio

experience

May 2014 – Present

Web Design & Print Production Intern

Business on Market St. (San Diego, CA)

At the beginning of my internship I was part of a team of five interns. Together we developed, designed, marketed, and launched a product. Throughout the course of my internship I have held many responsibilities, including but not limited to: designing websites, logos, documents, and infographics.

March – May 2015

Creative Intern

i.d.e.a. (San Diego, CA)

During my time here I worked on branding projects, developed iconography for a client's infographic, and assisted with the generation of advertisement ideas across various media.

January 2015

Static Showdown Web App Competition (Online)

Over the course of this 48-hour competition, I worked with three developers to create a web app that allows users to search for nearby activities and plan their day out on a timeline, which they can then share with friends. I single-handedly designed the entire UI including the iconography and logo.
